## Quote from Shane (website designer, recommended by Mark Gracey)

I have now taken a look through the websites and have a good idea of what will be required.

My proposal would be to build the website on the latest version of Wordpress using visual editors to make the website much easier to manage.

You would be able to drag and drop various elements into your pages including making adding files such as PDF's simple. The website would be built to be fully accessible and on mobile devices, the website would adapt to feel more like an app with very clear buttons and structure.

There is a lot of content on the website which may feel a little overwhelming to users. As a lot of this content is text based, I would create a design that allows this content to appear much less overwhelming.

A possible suggestion which may help save time managing the website: When you have minutes of meetings and agendas etc, it may be better to simply upload these as PDF links assuming these documents are originally created in Microsoft Word and can easily be saved as a PDF.

I am confident that you would be very happy with the outcome especially as the current website is a number of years old now.

With regards to the second website (lmnp.org.uk), I would intend to build this on the same platform.

Once you are happy with the proposal, estimated completion time for each project would be 2-4 weeks from receiving a deposit.

Please see below, a basic breakdown of the quotations for both websites.

### Project - lytchettmatraverspc.org

**New Website Design & Development**
£2,400 One Time

**Website Hosting, Daily Backup + SSL Security Certificate**
£20 PCM

**Domain Name Registration/Renewals**
£15 Annually

**OPTIONAL - Website Support/Updates + Maintenance**
£60 PCM

### Project - lmnp.org.uk

**New Website Design & Development**
£1,500 One Time

**Website Hosting, Daily Backup + SSL Security Certificate**
£20 PCM

**Domain Name Registration/Renewals**
£15 Annually

**OPTIONAL - Website Support/Updates + Maintenance**

If you are happy and would like to proceed, the next step would be a 50% deposit and then 50% remainder to be paid on completion.

Hopefully, this covers everything you need. We can go through finer details as we progress. Let me know if you are unsure of anything and I will be happy to assist.

You mentioned that you have a meeting next week so if you need any further information in preparation, be sure to let me know and I shall make sure you have all the details you need in time.

I look forward to hearing back.

Kind regards,
