PROPOSED TEMPORARY CLOSURE OF DULLAR LANE, LYTCHETT MATRAVERS

I have received an application from Openreach to close Dullar Lane, Lytchett Matravers between A31 and Dullar Farm Lane, a distance of approximately 500 metres. The closure has been requested to allow Openreach to carry out pole renewal works. These works are programmed to commence between 09:30 - 15:00 on 5th August 2026.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 21st July 2026.

View all roadworks in your area -dorsetcouncil.gov.uk/roadworks-events or read the council's guide to roadworks for general information and advice.
